

Born *on the road*

One family, nine months, three chapters. We are Auke and Yummee, travelling with Emma (6) and Elin (4) — and in April 2027 our third child is born on Bali, mid-journey. We are documenting the whole arc in English and Dutch: travelling pregnant, giving birth abroad, and the first months on the road with a newborn. For a pregnancy or baby brand, that is not a one-off video — it is a story your audience follows, with your product inside every chapter.

CHAPTER 01

Expecting

NETHERLANDS & THAILAND · NOW
— FEB 2027

Travelling pregnant: packing, flying, long days on the move and staying comfortable — your product in genuine use before the baby arrives.

CHAPTER 02

The arrival

BALI · FROM MARCH 2027

Settling in, the birth in April, the first weeks with a newborn far from home — the moments every parent-to-be watches most closely.

CHAPTER 03

Newborn nomad

BALI & VIETNAM · FROM MAY
2027

On the road as a family of five: feeding, carrying, sleeping and moving with a newborn and two big sisters — real life, filmed as it happens.
